Birthday Party Booking Terms and Conditions

We don't have many rules, but any bookings must:

- Be realistic about the duration of your party. It's not fair to book 2 hours when you really want 3....
- We can only accept parties for children age 11 and under
- Food and drink must be consumed in the small hall (next to the kitchen) - **not** in the main hall.
- Take your own rubbish home with you.
- Clean up after the party (using the free 1/2 hour we give you!)
Cleaning equipment is supplied, in the cupboard next to the toilets.
Please leave the church as you'd expect to find it.
- No alcohol whatsoever is permitted on the premises: we're Methodists remember! Neither is smoking allowed.
- Don't stick anything (banners etc) on the painted walls. But feel free to use the wooden doors.
- Only park in the car park alongside the church building. The parking further on is residents only, and belongs to the houses next door to the church.
- You must respect the premises and are responsible for damage to the premises or equipment during the booking
- **No Bouncy Castles.** Due to insurance and public liability restrictions and complications, and in the increasing cost of electricity, the Church has decided to no longer allow bookings where the hirer wishes to use a bouncy castle.
